2002 DUCATI 998S Bostrom Replica
 #12 of 155

The 998S Bostrom Replica is a limited edition highlighted by a special graphics treatment inspired by American Ben Bostrom, an official Ducati Team World Superbike rider. He rode the LAM Sponsored Ducati in 2001 and 2002 (finishing 3rd in the Championship in '01 with six race wins). Only 155 Bostrom Replicas were imported for sale in North America—the number is significant, as 155 was Ben's racing number. Other differences from the standard 998 are carbon fiber fairs and airbox, and full Ohlins suspension. (The '02 model year was the last exclusive year of the Tamburini design and first for the Testastretta engine.)
